

### PAYMENT TERMS

In most cases the duration of the endodontist-patient relationship is short term. Due to this, and the high degree of responsibility we assume with your care, **full payment is required by the completion of your treatment.**

These fees vary in range depending on the tooth involved and the complexity of the case. There may be additional charges for re-treatment, extra canals, curved roots or unusually complex cases. Please feel free to ask any questions you have in regards to payment, however we do ask you read and understand the following payment policies.

#### **Range of Fees**

Consultation/Examination/CBCT (3D) Scan	\$185-\$535.00 ( Consult \$185 CT scan \$450)
Root Canal Therapy	\$1295- \$1675
Root Canal Retreatment	\$1495 - \$1875

\*The range of fee depends on the complexity and difficulty of the tooth

Root canal treatment is an attempt to retain a tooth, which may otherwise require extraction. Although root canal therapy has a high degree of success, it cannot be guaranteed. We require at least 24 hours of notice if cancellation is absolutely necessary; otherwise a cancellation fee may apply.

**PRIVATE PAYMENT:** We require full payment at the time your treatment is rendered. For your convenience we offer the following options:

1. Payment by Credit Card
2. Payment through Care Credit\*
3. 50% down with 3 automatic monthly credit card payments

**DENTAL INSURANCE:** We will bill your insurance company as a complimentary service, however we do require the estimated co-payment from you by the end of treatment. We will call your insurance carrier for your estimated co-payment amount, though we try to be as accurate as possible it is not always an exact amount and may differ after insurance pays. Please remember that insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. Ultimately you will be responsible for any fees not covered by your dental insurance company. Any remaining balance is due within 30 days.

\*Subject to credit approval. Please inquire for additional information.
